

## Shift Lead

The Shift lead position will exercise your leadership skills while you closely collaborate with the Assistant Team Leader and Team Leader. Becoming the Shift Leader will introduce you to new responsibilities such as running the shifts and keeping operations on track and organized. This is a great steppingstone for someone looking to grow further on the ladder of leadership within Pita Way.

For this position you will be required to possess and carry out the following tasks:

- Protecting quality, service and cleanliness on assigned shifts
- Carry out corporate values which are empathy, dedication, integrity, ambition, and enthusiasm
- Inspire and motivate the shift employees
- Knowledge of food safety requirements
- Ability to delegate and follow up to obtain desired results
- Cash Management
- Assist in training and cross training new and existing employees
- Pass all food safety certifications required
- Open to learning new strategies and leadership methods
- Ability to identify situations and solve them before they become critical
